This Huey was built and sold directly to the Republic of Singapore Air Force. Manufactured in 1977, it is from a group of seven of the newest Hueys ever built. After many years of service in the Singapore Air Force, where it received excellent care until 2005, it was then retired. We have completely inspected and serviced this helicopter. It is in stock military configuration with new paint. Located in Olympia, WA this helicopter can be delivered to you by truck or flown home! Please contact sales@nwhelicopters.com today for more information.
